Stunning New Construction in a Prime Location! This property is tucked away in a quaint, well established neighborhood with minimal traffic, limited to just a few friendly neighbors within this intimate subdivision! Just off Ambassador Caffery between Youngsville and Lafayette, this exquisite one-story, 4-bedroom, 3.5-bath home is designed to impress! Step inside and be greeted by a grand, airy entrance featuring a breathtaking barrel ceiling complemented by a beautiful brick archway--a true statement of elegance. The living room boasts soaring 17-foot cathedral ceilings, creating a spacious and inviting atmosphere, while the massive 10-foot kitchen island offers abundant storage and the perfect gathering space for family and friends. Sunlight pours in through large windows, offering scenic views of the expansive backyard and oversized covered patio--a perfect setup for entertaining, with plenty of space to add a pool! The master suite is a retreat of its own, featuring a spacious walk-in closet with separate his-and-her dressers to keep things effortlessly organized. The fourth bedroom comes with its own full bath and large walk-in closet, making it an ideal private space for a teenager, college student, or guest suite. With its high-end design, thoughtful layout, and unbeatable location, this home is truly a showstopper.
