This 3-year-old custom-built home is a true architectural gem! From the striking front elevation to the curated interior finishes, every detail has been thoughtfully selected. A beautifully landscaped entrance and sunlit foyer welcome you into the open-concept living space, where the living room, dining area, and kitchen seamlessly flow together. Expansive windows flood the space with natural light and frame views of the backyard retreat. The kitchen features sleek contemporary cabinetry, stainless steel appliances, and a clean, modern aesthetic. Tucked off the living room, the primary suite offers serene views of the backyard and a luxurious en-suite bath complete with dual vanities, a large walk-in closet, and a stunning freestanding tub. The spacious guest bedroom has a designated walk in closet and is situated near the second full bathroom, with a walk-in tiled shower. Additional interior features include a generous laundry room with ample storage and a large utility closet. Step outside to your private oasis--featuring a gunite pool, beautiful landscaping, and a cabana with a mini outdoor kitchenette. A double gate conveniently grants access to backyard as well as a 20x20 workshop and 20x40 RV/boat cover! This one-of-a-kind home is a rare find--don't miss your chance to make it yours!
