3 Bedrooms | 2.5 Bathrooms | 1,902 Sqft

Welcome to your country retreat on a full acre! There's room for it all--gardening, woodworking, or raising your favorite animals--surrounded by peace and tranquility. Step inside this impeccably kept, maintenance-free home featuring three bedrooms, two full baths, a half bath and an open floor plan. Recent upgrades include a newer AC and roof. The oversized garage is complemented by two backyard storage buildings--one 12x24 on a cement slab and one 12x16 portable unit. And that's not all--a massive 60x50 metal shop, added after the seller moved in, comes equipped with electricity and water, ready to become a barndominium, full kitchen, toy storage, or the workshop of your dreams. Located in the booming Carencro area, you'll be minutes from modern conveniences while enjoying the best of country living. Washer, dryer, and refrigerators are included, making this move-in ready. Unwind with a glass of wine at sunset or savor your morning coffee at sunrise--all from your own backyard haven. This is the country lifestyle you've been waiting for!
