3 Bedrooms | 3 Bathrooms | 1,655 Sqft

Three bedroom and 3 full baths (one being off of the carport with storage) with large kitchen giving ample cabinet space and granite counters. The extra large laundry features sink and pantry cabinets. No carpet in this home as the durable slate tile floors and engineered wood laminate give lasting life. Master suite offers vaulted ceiling, walk in closet, separate shower and garden tub. The high end expense items have been replaced this year -- roof and Hvac system, so no need to worry about those items. The major selling point of this property is the back yard!! Shaded by large oak tree with no homes behind it and the Tortue Bayou and woods. You can stroll in your little pirogue and forget you are in a neighborhood.
