Welcome to this graciously well-kept 3-bedroom + office home, where indoor comfort meets incredible outdoor living! The primary suite is a true standout--offering two full bathrooms and two walk-in closets. That's right--one for each of you! It's a rare and luxurious touch that sets this home apart. Nestled on a beautifully landscaped lot, this property offers a true backyard oasis featuring a sparkling saltwater pool, cozy firepit area, and a convenient outdoor half bath--perfect for entertaining or relaxing in style. For those with big toys or hobbies, you'll love the metal shop with a large lean-to, offering ample space for storage, projects, or recreational gear. The spacious screened-in patio, seamlessly attached to the 2-car garage, creates a fantastic setting for gatherings, rain or shine. Inside, the home continues to impress with an open-concept layout, custom wood cabinetry, granite countertops, and easy-to-maintain stained concrete floors throughout. Whether you're enjoying quiet nights by the fire, poolside weekends, or entertaining friends and family, this home delivers comfort, function, and style at every turn. Roof and gutters in 2024. Don't miss your chance to own this one-of-a-kind retreat!
