5 Bedrooms | 3 Bathrooms | 3,400 Sqft

Beautiful, fully renovated American Foursquare Craftsman on a serene wooded acre in an excellent location! Seconds from Lafayettes newest development and easy access to I-10 and Hwy 49. This 5-bedroom, 3-bath (or 4 bedroom + office) has been thoughtfully renovated maintaining historic charm and adding modern luxuries like added closet space and updated bathrooms. Over 3,400 sqft with two stories - Downstairs you'll find 3 bedrooms, a formal living room and gorgeous kitchen with a statement picture window, eat in island and spacious breakfast nook. Spacious utility room near the kitchen and main suite for convenience. Lush main suite with dreamy soaker tub, separate shower and walk-in closet complete with custom built-ins. Upstairs there's a spacious flex space large enough for living, dining and sitting areas. You'll also find 2 bedrooms connected by a jack-and-jill bathroom. You will enjoy and appreciate the serenity of the lush lot, the spacious layout, high-end updates paired with the home's character and furnishings. Truly one-of-a-kind property that offers the best of both worlds--historic elegance and modern living, in one ideal location. Truly a rare gem that you'll want to see in person. Schedule a showing before it's too late!
