405 Arabella Blvd. was remodeled in 2023 by CJS Custom Builders. Interior designer, Virginia Lane, worked with both the Builder and Buyers to create a tranquil and inviting home. Roof, appliances, flooring, primary bath, plumbing fixtures, light fixtures, cabinets, countertops, both interior and exterior painting, custom drapes, tiled patio, epoxy flooring in the garage and floored attic are all updates done throughout the home. 4 bedrooms each with an en suite bath. Primary and 2nd bedroom downstairs, along with kitchen/keeping and the living room open to dining room. A small office is also located on the main level. Upstairs you'll find a landing along with bedrooms 3 and 4. There is also a bonus room upstairs that is currently a bunk room for grandkids. Homes in this condition do not come on the market often. Check it out today!
