3 Bedrooms | 2.5 Bathrooms | 2,604 Sqft

Welcome to 203 Greystone Place, a stunning 2-story home in a desirable Lafayette neighborhood. This 2,604 sq ft residence features hardwood floors, custom cabinetry, and exposed brick. The generous living room includes an expansive wine cabinet for 400+ bottles. The gourmet island kitchen offers a built-in SubZero refrigerator, Theramador range, and new under-counter icemaker. The luxurious primary suite has double copper sinks, a separate double-headed shower, and a Jacuzzi soaking tub. Two upstairs bedrooms are joined by a cozy den-perfect for family time or a home office. Outside is a lush, tropical backyard with an outdoor kitchen (built-in gas grill, Mongolian grill, under-counter SubZero, and large flat-screen TV), a large in-ground hot tub, waterfall, and mosquito-repellent misting system. Recent upgrades include a new roof (Dec 2025) and both HVAC systems replaced within six years. The home features Control4 smart home tech (updated Dec 2025, maintained by Elevatd AVL) with remote camera-operated doorbell, and video tilling on every TV. A whole-house generator provides added peace of mind. Convenient to parks, top schools Acadiana Mall, Ambassador Caffery shopping, and restaurants. Schedule your showing today.
