4 Bedrooms | 3 Bathrooms | 2,184 Sqft

Welcome to this lovely new construction home offering 4 bedrooms, 3 full baths, and everyone's favorite three-way split floor plan for the perfect balance of privacy and functionality. The open-concept design is filled with natural light and showcases a striking coffered ceiling and gas fireplace in the spacious living room. The kitchen is sure to impress with abundant cabinetry, a waterfall island, luxurious Taj Mahal quartzite countertops, a walk-in pantry & a pot filler. Just off the garage, you'll find a convenient drop zone with matching stone countertops for added style and organization. The private primary suite is a true retreat, featuring a spa-inspired bath designed for relaxation. Even the secondary bath offers double vanities, providing extra convenience for family and guests. Additional features include an on-demand tankless water heater, outdoor grilling area, quality finishes throughout, and thoughtful details that make everyday living both comfortable and elegant. A must see!
