Completely renovated and ready for its next owner! This 3-bedroom, 2-bath home at 717 E 7th Street in Crowley offers approximately 1, 550 square feet of living area and combines classic cottage character with a fresh, updated interior. The pier-and-beam home has undergone an impressive transformation featuring new flooring, fresh neutral finishes, updated lighting and a redesigned layout that creates a bright, open flow between the living, dining and kitchen areas. The renovated kitchen is a standout with crisp white cabinetry, abundant counter and storage space, contrasting hardware, updated countertops and stainless steel appliances. The adjoining dining area provides plenty of room for everyday meals or entertaining, while the spacious living area features tall ceilings, crown molding and abundant natural light. Three bedrooms provide flexible living space, and both full bathrooms have been updated as part of the renovation. A dedicated laundry area adds everyday convenience. Outside, the transformation continues with an updated exterior, metal roof, covered parking and a spacious yard shaded by mature trees. The home's classic architecture and raised pierand-beam construction maintain its original South Louisiana character while extensive renovations give the property a fresh new look inside and out.
