4 Bedrooms | 3 Bathrooms | 4,255 Sqft

Your dream home awaits! Step into luxurious living with this split-level fully remodeled 4 bedroom, 3 bathroom home, sitting on approximately 2 acres where privacy and elegance meet functionality, creating the perfect haven for both relaxation and entertaining. The front entrance welcomes you into a spacious 4,255 (approx) square-foot interior adorned with high ceilings, many Anderson doors and windows leading to expansive outdoor spaces and also features an atrium in the center of the home. The kitchen is complete with all new appliances. An adjoining formal dining room adds a touch of sophistication, perfect for hosting dinner parties. Each bedroom offers comfort and style, particularly the primary bedroom suite, which features two walk-in closets, and an over sized master bathroom with double vanities, makeup station, redwood sauna, new over-sized free standing tub, and tiled shower with a 6 function shower panel and also the bathroom has direct access to the back yard. This home also boasts a second master suite with a dedicated space that serves as an office for those who work from home or a crafts room providing ample space for creativity and productivity. Both of the master suites have excessive amounts of built-in storage and all four of the bedrooms feature cedar-lined closets. The guest bathroom has a new double vanity and
