4 Bedrooms | **3.5** Bathrooms | **3,550** Sqft

Built in 1900, this timeless 3, 550-square-foot cedar home blends historic craftsmanship with spacious living and modern convenience. Constructed entirely of cedar by its original builder, the home showcases enduring quality, character, and warmth throughout. Featuring 4 bedrooms and 3 bathrooms, the layout offers generous living spaces designed for both everyday comfort and entertaining. Freshly painted inside and out. New flooring in kitchen and downstairs bathroom/laundry room. Inside, you'll find beautiful built-ins, multiple fireplaces, and an abundance of rooms ideal for hosting gatherings, holidays, or quiet evenings at home. The home's classic architectural details pair seamlessly with functional updates, including a whole-home generator for added peace of mind. Situated on a desirable corner lot, the property also includes a storage shed and ample outdoor space with endless potential for gardening, recreation, or relaxing. Rich in history and full of charm, this one-of-a-kind cedar home offers the perfect balance of vintage appeal and practical living. The home is also in a historical district but is not registered as a historical home.
