2 Bedrooms | 1 Bathroom | 1,144 Sqft

Updated and remodeled camp at Cypremort Point with a new large metal storage building 14 x 40!! This great 2 bedroom 1 bath home has so much to offer with an updated kitchen, granite countertops, tongue and groove ceilings and stunning cypress wood walls with newly installed windows. Sit on the large front porch or enjoy the stunning views of Vermilion Bay from your backyard!! This camp has some great outdoor features such as multiple decks, spray foam insulation for climate control, fish cleanout sink on the base floor and enclosed screens surrounding the lower level. New double-braced 14' x 40' metal building on a concrete slab with a 3-ft-deep foundation--ideal for storing your boat, ATVs, fishing gear, and other camp essentials. To make this package a little sweeter, a historical building currently used for fishing gear is accessible to the beautiful waterfront land. Mooring and docking your personal boat just became easier with access to Vermilion Bay!
