This is a great house at a great price! This spacious home sits on .6 acres with mature trees and though just off of Verot School Road, it is not in the City of Lafayette...so no City taxes. Additionally, this home is in an X flood zone so there's no requirement for flood insurance! All the rooms are large, including two living areas, kitchen with dining area, secluded back patio, and newer roof. The road and shed behind the house are not part of this sale (different owner). There is a license for the buyer of this home to use the road, plus there is enough room to build their own driveway and fence. The back yard goes back most of the way to the existing fence. Make this fine home yours today!
