3 Bedrooms | 2 Bathrooms | 2,410 Sqft

Set on 3 secluded acres, this historic farmhouse offers space, character, and a peaceful setting with room to make it your own. Originally built more than 100 years ago and expanded over time, the home features approximately 2,423 square feet with 3 bedrooms and 2 bathrooms. Inside, the home showcases beautiful original character, including 100-year-old shiplap in the living room, dining room, and kitchen. A significant remodel of the living and dining areas was completed in 2020, creating inviting spaces for everyday living and gathering. The kitchen offers generous room to work, and a dedicated office adds flexibility for working from home or managing household needs. The primary suite provides a private retreat with access to a deck overlooking the pond, along with a walk-in closet and en suite bath. Additional features include high ceilings, covered rear parking for two vehicles, a central vacuum system, and a security system. Major system updates include all new plumbing with flex pipes installed in 2021 and a brand-new Lennox Merit HVAC system with humidity control installed in 2025. Outside, the property offers a long private driveway, a pond, and a 78' x 24' barn currently used for storage, adding versatility and valuable extra space. The acreage and setting offer privacy, charm, and the opportunity to enjoy country living with the
