4 Bedrooms | 3 Bathrooms | 2,075 Sqft

Tucked away on a quiet cul-de-sac in Caneview Estates, this one-year-old 4 bedroom, 3 bath home offers the space, layout, and upgrades buyers are actually looking for. With 2,075 square feet and a thoughtfully designed open floor plan, the living area flows seamlessly into a bright kitchen featuring upgraded quartz countertops, stainless appliances, a large island, and walk-in pantry. The LED lighting gives it that clean, modern feel throughout. One of the standout features? The private fourth bedroom includes its own full bath -- perfect for guests, in-laws, or a quiet home office setup. The primary suite is spacious and relaxing with a garden tub, separate shower, and walk-in closet. Durable vinyl plank flooring runs throughout this home making everyday life both stylish and practical. Step outside to a covered rear porch overlooking a generously sized backyard ideal for entertaining. Modern, move-in ready, and positioned in one of the most desirable spots in the neighborhood -- this one checks the boxes. Refrigerator will be included.
