Welcome to 203 Commons Drive - A meticulously well kept home where you can enjoy the perfect balance of privacy and convenience. This low-maintenance home sits at the end of a peaceful street while keeping you connected to everything Lafayette has to offer. Enjoy worry-free living with the big-ticket items already taken care of, including a 3-year-old roof and a 4-year-old HVAC system. Located in flood zone X, there is no history of flooding here! Stepping inside you notice the gas fireplace for warmth in the cold season approaching. The open split floor plan is functional and practical. The kitchen boasts granite counters and updated tile flooring. The primary bedroom features dual walk in closets with the bathroom offering separate vanities and a separate tub & shower. Stepping outside, you will find a well manicured lawn and established landscaping in the front and back of the home along with gutters on all sides. The back yard is easy to maintain and still offers a fenced in private back yard with a covered patio. This meticulously well kept home is now ready for its new owners.
