LOCATION/CONDITION/STYLE/CHARM/ CHARACTER/QUALITY ALL RECEIVE A 5 STAR SALUTE!!! This 4 bedroom, 3 full bath home offers a completely renovated and well designed split floorplan with extras GALORE! Tucked deep into the quiet, central neighborhood of Holden Heights, 123 Urbana sits on 3 lots with a brand new master addition which includes its own living/office area, extra large walk in closet and an exterior, backyard access door. A significant and solid double wide brick arch separtes the bedroom space and its living/lounge/office space. The master bath is cool with functionality to boot! All finished with designer touches and gorgeous designer tile tub surround with three niches for owner to fill up! Two vanities. natural light from a beautifully positined window and more built in storage in water closet make this bathroom unique with upgraded character and style. Not surprising for a house of this nature, there are two front entries...one is a grand entry with personality and openess offering two entries for different areas of house. Two brick steps up and you are standing in one of the open living/dining spaces which flank its warm and wlecoming kitchen with large island, custom cabinets, fantasy brown dolomite stone countertops, all new appliances, and a second living spave with a wall of windows and a bricked front porch
