3 Bedrooms | 3 Bathrooms | 2,630 Sqft

Welcome to this beautifully designed 3-bedroom, 3-bath custom home located in the desirable Cypress Gardens subdivision. This home features a bright, open floor plan ideal for both everyday living and entertaining, highlighted by a chef's kitchen with custom-built finishes, custom hood, granite countertops and generous workspace. The upstairs primary suite is a true retreat, complete with a private office, spacious walk-in closet, luxurious steam shower, and a private balcony overlooking a majestic oak tree and serene scenery. Outdoor living shines with a custom-built patio featuring a fireplace, barbecue pit with custom hood, and pre-wiring for five outdoor speakers perfect for entertaining year-round. The backyard is enhanced with rock landscaping and underground drainage. Additional features include underground drainage throughout, an extra-wide driveway accommodating three cars, walk-through attic access, electrical outlets in soffits, new insulation, whole-house gutters, and thoughtful custom details throughout. Enjoy neighborhood amenities including a community pool, all while living in a home that blends luxury, functionality, and timeless design.
