Introducing The Reserve at Bunker Lofts -- a limited collection of premium lots overlooking The Wetlands Golf Course in one of Lafayette's most distinctive master-planned lifestyle developments. Zoned MN-1 for Residential and Professional Office use, The Reserve offers a rare opportunity to create a private compound tailored to the way you live, work, and entertain. Whether you envision a sophisticated personal retreat, a luxury hobby space, a live-work residence, or an office designed to impress, these lots give you the flexibility to build something truly your own. With the ability to build up to approximately 11, 500 square feet per lot, owners have the space to create expansive interiors, secure storage, entertaining areas, and a setting that supports everything from quiet mornings working from home to afternoons on the golf course and evenings hosting friends and family. The Reserve is designed for buyers who want more freedom, more privacy, and more functionality than a traditional neighborhood can offer. Easy interstate access makes it convenient to come and go with boats, RVs, recreational vehicles, and gear, while additional onsite parking provides room for guests and group gatherings without the constraints of a typical residential setting. The development also features 24/7/365 video surveillance for added peace of mind.
