$116,500

VERMILION RIVER frontage with 1.969 acres+- located just south of Perry's bridge on the West bank of the Vermilion River! This site has about 152.7' of old steel bulk headed river frontage and is situated on an outside curve offering great views of the river in both directions. There are also several large trees scattered throughout as well as lining its Hwy frontage providing a privacy/noise buffer. Don't miss out on this great property to call this your homeplace!
