Mature trees take decades to grow, and this corner lot already has them. Located at E Bridge Street and Doyle Melancon, this .52-acre homesite is ready for your build, with city water and sewer available, a natural gas line along the property perimeter, and culverts already installed for your driveway. No mobile homes are permitted. The lot is minutes from Breaux Bridge shopping, dining, and schools. Much of the early site work is done, so you can move straight to your floor plan.
