3 Bedrooms | 2.5 Bathrooms | 1,900 Sqft

Experience luxurious living at its finest! Discover this exceptional condo nestled in the highly sought after River Ranch neighborhood, conveniently situated right on the charming town square. Unveil the captivating open concept floor plan that offers a seamless flow and a picturesque vista of the square. This condo presents an impeccable choice for your upcoming residence. Simply swing open the balcony doors that gaze upon the enchanting Degaulle Square of River Ranch, and let the festivities commence! Your balcony becomes a stage for perpetual entertainment. This is the only condo in the Carriage House with a direct view of both the square and the courtyard! The kitchen boasts a suite of premium stainless steel appliances, opulent 3cm granite countertops, exquisite cabinetry, and an abundance of counter space that transcends expectations. The expansive living and dining space accommodates sizable gatherings effortlessly. A convenient half bath, a utility room, and an inviting foyer also on the first floor. Ascend to the second floor, where three bedrooms and two bathrooms await. The master suite not only offers a scenic square view, but also features a lavishly appointed en-suite bathroom complete with a standalone tub, a multi-head shower, and a generously sized walk-in closet, all adorned with beautiful wood floors.
