\$795,000

4 Bedrooms | 3.5 Bathrooms | 2,650 Sqft

Luxuriously crafted by CA Homes and thoughtfully designed by Luxe Interiors, this one-of-a-kind home showcases the newest trends, designer colors, and fabulous finishings throughout. The wide-open living area was strategically designed for both comfort and versatility, featuring unique selections and custom details not repeated elsewhere in the community. The dream kitchen is ideal for cooking and entertaining, complete with a custom hood, quartzite countertops, custom cabinetry, butler's pantry, and exceptional storage. Tucked away for optimal privacy, the primary suite offers custom mirrors, a stunning custom shower with distinctive details, and abundant storage space. Just off the garage, the walk-in mud area creates the perfect drop zone for everyday convenience. The patio is loaded with all the bells and whistles, creating the perfect setting for relaxing or entertaining. With impressive curb appeal and luxurious finishes throughout, this quality-built home makes a truly breathtaking first impression.
