Corner lot! Metal roof is approximately less than ten years old. Seller remodeled this jewel after purchasing it. It's clean and move-in ready! Central heat and no carpet. The lovely kitchen vaunts ample cabinetry and shelving, a custom backsplash, pantry, and a window over the sink to allow natural light in. Adjacent to the kitchen is a dining area that also boasts cabinetry and shelving for great extra storage. The bedrooms are sizeable, and the primary bedroom does have an en suite. Conveniently placed is a utility area with a washer and dryer that will remain with the property. The nice front porch is the perfect place to relax or to entertain. Additionally, all window units, all appliances, including the refrigerator, are to remain.
