4 Bedrooms | 3.5 Bathrooms | 3,211 Sqft

Welcome to Greyford Estates, a gated subdivision offering both privacy and elegance. This beautifully designed 4-bedroom, 3.5-bath home features a desirable triple split floor plan, including a luxurious primary suite and a private second suite. Upon entering the home, you will notice the formal dining area, perfect for entertaining. The kitchen is a chef's dream with a stunning double island, walk-in pantry, and breakfast seating area just off the kitchen. Antique beams run throughout the kitchen and living area. The primary suite boasts two spacious closets and a spa-like bath complete with a freestanding tub. Two additional guest bedrooms are connected by a convenient Jack-and-Jill bathroom. Enjoy outdoor living at its finest with a fully equipped outdoor kitchen area, gas-lit exterior lighting, and an impressive 44' x 8' front porch. Additional highlights include a mud area off the three-car garage and two fireplaces that can be enjoyed as gas or wood-burning. The home has spray foam insulation in the attic along with insulated garage walls. This home was built well beyond standard code and typical new construction amenities. Schedule your showing now!
