Unlock a rare multi-property investment opportunity featuring four homes across two thriving markets--two in Lafayette and two in Opelousas. This package deal offers the perfect blend of immediate income and value-add potential. Two properties are currently leased, providing steady cash flow from day one, while the remaining two are vacant and ready for renovation. With some TLC and vision, the upside here is undeniable. Whether you're looking to expand your rental portfolio, tackle a flip project, or create long-term equity, this opportunity delivers flexibility and strong potential returns. Opportunities like this don't come around often--priced to move and ideal for investors ready to capitalize.
