MLS# 2500002816

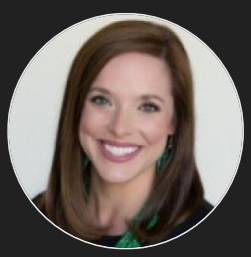

$97,500

Corner lot in an established area with unique potential. Surrounded by both commercial properties and residential homes, this corner lot measuring just under an acre at almost a perfect square is ripe for opportunity. A walk in clinic, a small townhouse complex, your next investment property, the possibilities are endless. On city water and sewer and Entergy for electricity. Property is unzoned- meaning it can be either residential or commercial.
