4 Bedrooms | 3 Bathrooms | 2,061 Sqft

Quality, charm, and custom craftsmanship abound in this beautiful 4-bedroom, 3-bath home! Designed for both everyday living and entertaining, the open floor plan features a spacious kitchen with a large granite island, custom cabinetry, designer lighting, subway tile backsplash, and a striking custom hood vent. The 2-way split floor plan offers privacy and functionality, while the inviting living area showcases a fireplace and beautiful architectural details. Retreat to the spacious primary suite featuring a luxurious jetted tub, oversized custom-tiled walk-in shower, and large walk-in closet. Step outside to the expansive patio, complete with an outdoor fireplace--perfect for gatherings or relaxing evenings. Additional features include 9-11 ft ceilings, slab granite, undermount sinks, and custom finishes throughout. Situated on approximately .37 acres at the end of a cul-de-sac, the property offers a fully fenced backyard and plenty of outdoor space. A truly special home with the space, style, and amenities buyers are looking for!
