$199,999

3 Bedrooms | **2** Bathrooms | **1,390** Sqft

This stunning 3-bedroom 2-bath home is designed for comfort and style, offering a spacious floorplan with lots of natural light. Some highlights from this plan are quartz countertops found in the kitchen and all bathrooms, modern stainless-steel appliances, low E tilt-in windows, undermount single bowl kitchen sink, breathtaking stained concrete floors, a kitchen island, and a spacious covered patio. The primary suite boasts a private bath, while two additional bedrooms are perfect for family, guests, or a home office. Where else can you find a stunning new construction home like this at this price! Estimated to be completed shortly so get in while you can so that you can choose your colors and finishes to make this home uniquely yours.
