1915 Alonzo Ave HAS A NEW ROOF This Modern Renovated 3 Bed, 2 1/2 Bath with Sunroom & Dual Workshops have been recently renovated. Alonzo showcases high living room ceiling and an open-concept layout that flows beautifully for entertaining. A fresh, soft color palette complements the new kitchen cabinets and countertops, delivering a stylish, modern feel throughout the space. The 3 bedrooms and 2 1/2 baths offer generous comfort, with a separate sunroom that leads to a patio featuring two workshops--one with a half bath--providing flexible space for gatherings, outdoor projects, or storage. Both outdoor areas have electricity, enhancing usability. The 20K generator provides comfort, and security during Louisiana weather event. The water softener adds modern convenience to the remodeled home. The two-car garage with insulated doors adds privacy and storage, while the cedar privacy fence enhances safety and curb appeals. Perfect for buyers seeking luxury upgrades with versatile outdoor living walking distance from Opelousas South park.
