4 Bedrooms | 3 Bathrooms | 2,648 Sqft

Welcome home to where thoughtful design and exceptional craftsmanship come together to create a home that truly stands out. Situated on a 68' wide by 150' deep lot. From the moment you step inside, you'll be welcomed by an elegant barrel arch in the foyer with stone and a spacious floor plan that lives much larger than its footprint. This beautifully crafted home built by Platinum Homes features 4 bedrooms and 3 bathrooms, showcasing the quality and attention to detail the builder is known for. Just inside the garage entry, you'll find a private office complete with a window, along with a stylish drop zone featuring wainscot and hooks to keep everyday essentials organized and the oversized utility room complete with a sink. The gourmet kitchen is complete with a 36' gas range and a hidden pantry. The primary suite is ideally situated just at the rear of the home. All of the bedrooms include walk-in closets and two other storage closets provides even more space to keep things tucked away. Designed for both relaxing and entertaining, the oversized covered back porch overlooks a generous backyard featuring an outdoor kitchen and cozy fireplace--perfect for hosting year-round. Residents will also enjoy a community pool, coming soon, along with three scenic neighborhood ponds to explore and enjoy. Owner/Agent
