Updated in central Lafayette! Many upgrades with a space off of the laundry room, perfect for a office. New front door, energy efficient windows, new floors and a great flow. The living room is partially open to the kitchen and has tons of natural light. The kitchen has quartz countertops, slow close cabinets, gas stove top and stainless appliances. Hallway bath is oversized and all the bedrooms are spacious, with wood floors. The primary bath has been tastefully updated as well. The back yard is perfect for the little ones to run free. Blocks from reds and a school right down the street.
