4 Bedrooms | 2 Bathrooms | 2,066 Sqft

Welcome to 201 Brothers Road in Scott--a striking 4-bedroom, 2-bath home offering approximately 2, 066 square feet of beautifully updated living space and designer details at every turn! The spacious living area makes an unforgettable first impression with warm wood-look flooring, recessed lighting, a modern ceiling fan and a dramatic linear fireplace surrounded by black mosaic tile and custom architectural trim. A large front window fills the room with natural light. The showstopping kitchen features rich navy shaker-style cabinetry, warm gold hardware, butcher block countertops, a generous center island, decorative mosaic accents, stylish pendant lighting and a contemporary glass-and-metal vent hood. A sleek range, dishwasher, double-basin sink and statement backsplash complete this bold and functional space. The impressive bathroom feels like a private retreat with a long double-sink vanity, illuminated mirror, brushed-gold fixtures, marble-look tile flooring and an oversized walk-in shower featuring large-format tile and a rainfall-style showerhead. Additional highlights include spacious bedrooms, butler pantry, updated lighting, multiple ceiling fans, a convenient built-in desk or workstation, and versatile bonus areas that can serve as a movie room, dressing room, hobby space or additional storage. The combination of neutral walls,
