Fall in Love with your Country-living, private Oasis! Located in Maurice, this Acadian Style home has all you need with a functional and updated home, a pool and cabana with large fenced in Yard, a climate controlled workshop, and Whole House Water Filter. Entering the property you will notice the privacy and quiet living. You will love your mornings and evenings on the front porch OR enjoying the pool view. The house has two separate entrances, that is great for guests. Lots of parking and storage. The updated kitchen has an 8-foot island with Quartz countertops and stainless steel appliances. The open living is functional and comfortable with great natural lighting throughout. The three bedrooms are very generous with space, and large closets. Two and 1/2 bathrooms and a huge laundry room. The primary suite has a patio entrance, with spacious room and bathroom, and two separate walk-in closets. With access through the garage, a 299 sqft climate controlled bonus space, most recently used as a work shop...Also equipped with fully functioning half bathroom. Outdoors is beautifully landscaped yard, complete with a large inground pool, water features, and a covered patio. Large storage shed in driveway to remain.
