+/- 11.12 Acres with frontage on the I-49 service road near the intersection of I-10 and I-49. Excellent visibility from both interstates and tons of daily traffic. This tract is perfectly positioned between Lafayette and Carencro and in a growing area, close to the soon-to-be Buccee's location. Given the location, this site could be suitable for several types of development that benefit from high interstate traffic counts, such as hotels, truck stops, dealerships, and more.
