\$240,000

3 Bedrooms | 2 Bathrooms | 1,685 Sqft

Charming 3- Bedroom 2- bath home offering 1, 685 sq ft of comfortable living in the peaceful Village Estates neighborhood. The spacious living area features beautiful wood floors and an electric fireplace with windows that overlook the neighborhood pond and fountain which makes it perfect for relaxing evenings or entertaining guests. The beautiful kitchen boasts warm birch cabinetry, ceramic backsplash, and granite countertops, providing both style and function. The primary suite is generous in size with wood floors and a private bath that includes a garden tub, separate shower, and a granite-topped vanity. Bedrooms two and three feature durable ceramic tile floors and share a full bath. Outdoor living is a highlight-with a large covered patio for enjoying stunning sunsets. There is also an custom built shed for extra storage. A gas generator provides added peace of mind during power outages. Located in excellent school districts. This home blends practical features with serene views. Schedule a showing today to see in person.
