$79,000

2 Bedrooms | **1** Bathroom | **744** Sqft

Small in size, big on opportunity! This cottage style, two bedroom, one bath home on a corner lot offers just enough room to get started or settle into something smaller. Inside, you'll find a mix of wood and vinyl plank flooring, along with a farmhouse kitchen complete with vintage cast iron sink! The large fenced yard gives it more breathing room than the square footage suggests. Location is hard to beat with highly desirable schools, local shopping and the city park all nearby.
