Arguably one of the best buys currently on the market in 70503--a CORNER LOT with a POOL under $500K! Those familiar with the hilly area just off Pinhook Road know it as one of Lafayette's hidden gems. Mature trees, larger lots, a traditional neighborhood feel, and shaded streets perfect for walking and biking create a setting that feels tucked away--yet you're just minutes from restaurants, grocery stores, shopping, and some of Lafayette's favorite destinations. Updated, spacious, and thoughtfully laid out, this home offers the character of an established property with the features today's buyers are looking for. There is NO CARPET anywhere in the home. Brick pavers and engineered hardwood flooring flow throughout, creating a warm and cohesive feel from room to room. The oversized front room features beautiful built-ins with plenty of space for books, art, and collected treasures. The main living area opens to the kitchen, providing an easy, open flow for everyday living and entertaining while still preserving the charm and character of the home. The updated kitchen features granite countertops, a Vulcan gas range, attractive cabinet hardware, and generous prep space. The bedrooms are all comfortably sized, offering plenty of room for everyday living. And then there's the backyard. Enjoy Louisiana summers around your own
