Welcome home to this 4-bedroom, 2-bath Smart Home in Ponchatoula, where an open floor plan and no carpet make everyday living easy and low-maintenance. The kitchen is made for gathering, with a large island, granite countertops, and stainless steel appliances. The split floor plan gives the primary suite its own private retreat, away from the other bedrooms. Out back, a peaceful pond view is the perfect spot for morning coffee or evening unwinding. Life here goes beyond the front door. Residents enjoy scenic nature walks, a community pool, and two playgrounds. Shopping, dining, schools, and easy interstate access are all close by.
