Welcome to this adorable 3 bedrooms 1 bath cottage. Flooding with natural light and so much character. Sitting on a nice size lot on the corner of Loreauville Rd and Oswald. A lot of love went into this well-maintained home. This home has received many updates throughout the years, including a new kitchen and bath, a rebuilt heater 2024, and rewired in 2011. There are two sets of washer and dryer connections (one in the home and one in the garage storage building). Home to the same family for 74 years and now it is ready for the next owners to turn it into home.
