Completely remodeled in 2023 and tucked away on a quiet cul-de-sac, this 4 bed, 2 bath home sits on 1.21 acres backing up to the subdivision lake in a well-established Pineville neighborhood off Hwy 28 East. A charming front porch welcomes you into the foyer with a stylish accent wall, flowing into the living room with a cathedral ceiling and a matching accent wall. The chef's kitchen features butcher block countertops, a large island bar, stainless steel appliances, and a hidden walk-in pantry, and it opens to the dining room. A brick wood-burning fireplace with gas starter makes the kitchen and dining area the warm heart of the home. You'll find luxury vinyl plank flooring, upscale lighting, and built-ins throughout. The spacious primary bedroom offers a large walk-in closet and an ensuite bath, and the bathrooms have granite countertops. Bonus spaces include an approx. 322 sq ft glassed-in sunroom, a large laundry room, and an approx. 315 sq ft covered patio overlooking the fenced, tree-shaded backyard. A workshop, a storage building, and an ample two-car garage complete this rare find!
