Solidly built, impeccably maintained and awaiting its new owner, this immaculate cottage is comfortably appointed with finishes that will stand the test of time and appliances to meet daily needs. No space was wasted in its layout and yet it boasts ample storage and amenities. Outside parking is accommodated on the generous driveway and carport. Family outings, morning coffee, or cook outs are all just steps outside the door on the covered deck. Secure storage building for all your tools or toys or seasonal items. Home has been wired for a 30 amp generator (included with an acceptable offer). Continuous concrete footings and ground anchors add an extra measure of stability to the home. Home is plumbed in PEX piping.
