Better Than New Construction- Modern Farmhouse with Style, Space & Serenity. Welcome home to this stunning 4-bedroom, 3-bath modern farmhouse, where custom style, thoughtful upgrades, and everyday comfort come together beautifully. Just two years young, this home offers all the appeal of new construction, without the wait, and with the finishing touches already done for you. Step inside to soaring 14-foot ceilings, an airy open-concept design, and upscale finishes that create a warm yet elevated feel throughout. Every detail reflects pride of ownership, making this home truly move-in ready. Need flexible space? You'll love the two dedicated offices or Zen Dens, perfect for working from home, creating, studying, or simply enjoying a quiet retreat. Upstairs, a private en-suite with elevated neighborhood views provides an ideal space for guests, extended family, or a secluded bonus retreat. The backyard is where this home truly sets itself apart. With lush landscaping, tall trees, privacy bushes, and no rear neighbors, you'll enjoy a peaceful setting that feels like your own private escape. An outdoor kitchen setup makes grilling, entertaining, and relaxing outdoors effortless. Why settle for builder-basic when you can have a home that's already been thoughtfully upgraded, beautifully maintained, and designed for the way you live? Style. Space.
