4 Bedrooms | 2 Bathrooms | 2,202 Sqft

Thoughtfully designed for modern living, this beautiful new construction home in Mon Cherie Subdivision offers 4 bedrooms, 2 bathrooms, and over 2,200 square feet of well-planned living space. From the moment you step through the front door, you're welcomed by an open-concept layout where the spacious living room, dining area, and kitchen come together to create the perfect setting for everyday living and entertaining. The kitchen is designed to be the heart of the home, featuring a large center island, abundant workspace, generous cabinetry, and a walk-in pantry, while the adjoining dining area overlooks the covered rear porch for seamless indoor-outdoor living. Tucked away for privacy, the primary suite offers a peaceful retreat complete with a spacious bedroom, spa-inspired bath, oversized walk-in closet, and elegant tray ceiling. Three additional bedrooms are thoughtfully positioned on the opposite side of the home, providing flexibility for family, guests, or a home office. Functional spaces including a dedicated mudroom, utility room, and additional storage area help keep everyday life organized and efficient. Outside, the covered rear porch creates the perfect place to enjoy morning coffee, weekend gatherings, or quiet Louisiana evenings. Combining timeless curb appeal, practical design, and comfortable living
