Arched openings throughout the foyer, dining, and living areas create a distinctive first impression, while wood beam accents add warmth and character to the open-concept design. The living room is centered around a cozy fireplace, creating a natural gathering place for relaxing or entertaining. The seamless connection between the kitchen, dining, and living spaces makes everyday life feel effortless. Privately tucked away, the primary suite offers a peaceful retreat with a garden tub and beautifully finished tiled shower. With nearly 2, 000 square feet of thoughtfully designed living space, the Celeste Heritage I delivers memorable details and the comfort buyers are looking for.
