Set on a larger homesite, the Monique French III offers the space and architectural character to make every day feel extraordinary. A welcoming arched entry opens into an expansive living area where a soaring cathedral ceiling with a boxed beam creates a stunning first impression. The open flow between the kitchen, dining, and living spaces is ideal for gathering, while the fireplace adds warmth and charm to the heart of the home. A second arched opening leads to the secondary bedrooms, creating thoughtful separation and privacy. The spacious primary suite features a relaxing garden tub and beautifully tiled shower, completing a home designed for both comfort and style.
