The Emilia Craftsman brings together inviting Craftsman character and a flexible 4-bedroom, 2-bath layout with 1, 874 square feet of living space. The living room is the standout, featuring a trayed cathedral ceiling that adds volume and architectural interest, along with a ventless gas fireplace with wood mantle and tile surround as a welcoming focal point. Wide wood-cased openings keep the living, dining, and kitchen areas connected while giving each space its own definition. The primary suite offers a garden tub with tile surround and separate tiled shower with niche, while the covered rear porch creates an easy extension of the living space outdoors.
