\$395,000

4 Bedrooms | 3 Bathrooms | 2,050 Sqft

Welcome to this beautifully designed 4-bedroom, 3-bath home offering approximately 2,050 square feet with a functional layout designed for everyday living, working from home, and entertaining. The split floor plan provides privacy and flexibility, including a separate guest wing with its own full bath. For those working from home, the dedicated office and separate computer station provide multiple options for work, homework, or household organization. The open-concept living area features a beautiful brick fireplace and custom details throughout. The spacious kitchen offers abundant cabinetry, granite countertops, a large island, stainless steel appliances, and plenty of room for gathering. Step outside to enjoy the impressive outdoor living space, complete with an outdoor kitchen, built-in grill, and fireplace. The wood privacy-fenced backyard provides additional space for outdoor entertaining and relaxation. With its spacious layout, dedicated office space, guest accommodations, and exceptional outdoor living area, this home offers a versatile combination of comfort and functionality.
