$335,000

4 Bedrooms | **3** Bathrooms | **2,400** Sqft

Check out this absolutely gorgeous country property with mature trees, open fields, and calming back yard views. The two year old four bedroom home with a fabulous deck out back offers ample space for fun with family and friends. The over 800 square foot shop with a large roll-up door and commercial grade electrical will hold all of your tools and toys. An insulated and air conditioned office/room with a half bath is attached to the shop along with a large covered area with 30 & 50 amp hookups making this property very unique and open to all sorts of uses.
